

Wind & Fire Art Exhibit

A Call to Artists:

Wind & Fire are found in poetry and sacred texts as metaphors and symbols of the presence of the Divine. We invite you to create work inspired by these elemental forces.

*"Earth's crammed with heaven,
And every common bush afire with God"*
— E. B. Browning

*"...How many far places
were once within me. Some winds
are like my own child.*

When I breathe them now, do they know me again?"
—R. M. Rilke

1 When the day of Pentecost had come, they were all together in one place. **2** And suddenly a sound came from heaven like the rush of a mighty wind, and it filled all the house where they were sitting. **3** And there appeared to them tongues as of fire, distributed and resting on each one of them."
—Acts 2:1 - 3
